4 BHK ELITE RESIDENCES

A LIFE OF EXCLUSIVITY

When privilege is at the heart of an idea, it is born as something truly special. Something like Narayan Nandan, an elite residential community of enchanting 4 BHK residences amidst greenery.

Located amidst pristine surroundings of the Lambhvel Hanuman Temple at Anand-Lambhvel Road, this quaint villa community is built for class. With exceptional planning, multi-sensory landscapes and multiple recreational facilities, Narayan Nandan spells opulence, both in details and as a whole. Every home here is a reflection of your stature and is an invitation to a life that's limited edition.

THE GATEWAY TO BLISS

The premium living experience begins even before you enter the beautiful campus. The wide approach road takes you the grand guarded entrance way, ready to welcome you into a world of luxury. Beyond the walls lie broad pathways, soothing water bodies and scenic green settings that wrap your magnificent bungalows in a blanket of serenity.

You might just find yourself humming a song or two as you drive through towards your home, everyday.

THE CAUSE OF ENVY

The type A residences at Narayan Nandan are crafted to be distinctively different, to be unique like you. The perfect blend of contemporary form and earthy textures lends a grand feel to your homes. The living spaces are equally charming.

The 4 bedroom duplex structure allows separation of the public and private rooms across two floors. The high ceilings and large column free spaces bring you a sense of space, abundant fresh air and natural light. The attached balconies in the living and bed rooms serve green views and enhance the airy ambience. The private lift is thoughtfully added for easy vertical movement.

Now you know why your homes will be the cause for envy!

THE OBJECT OF DESIRE

The simple sophistication of the elevation extends into the understated luxury inside in our type A+ residences. Designed to deliver maximum space and functionality, this variant offers a different layout option in the 4 bedroom bungalows. The homes are otherwise similar in grandeur.

Large windows stream in natural light into every corner of the house lighting it up through the day. Fresh air enlivens every corner of the generously sized living spaces of these villas. Thoughtful additions like walk-in closets, ample storage and utility spaces and two car parking are common features that make your homes delightful in every sense.

THE TALK OF THE TOWN

Our type B residences offer yet another layout and orientation option for you. Just like the other two variants this home is also truly magnificent. Expansive living spaces, seamless planning, bright and airy interiors, superior finishes and sensible value additions are highlights of this model too.

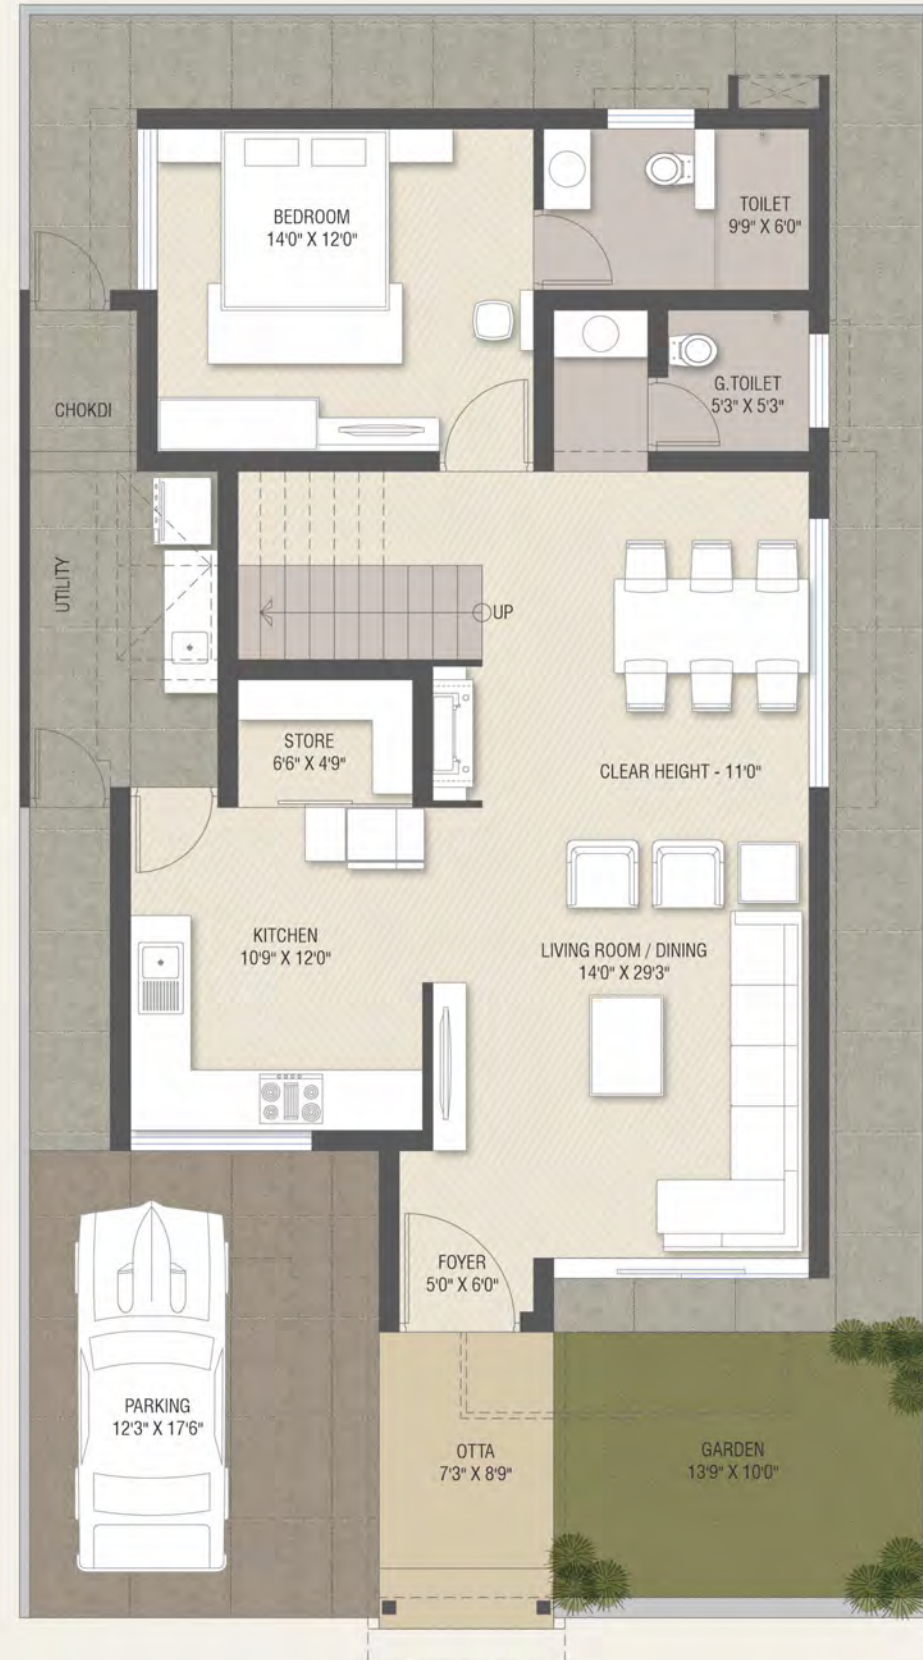

Whichever bungalow you choose, your home will surely become the talk of the town at Narayan Nandan.
